Hamilton 3, Union 12.

On May 5th last, we were defeated at Schenectady by Union University, the score standing 12 to 3 against us. The game was a good one and had it not been for a bad first inning the score might have been otherwise. Sherman started to pitch the game, but was hit so heavily that Coach Heffernan put Havens in the box in the middle of the first. After giving a few hits "Louie" steadied down and pitched a good game. There were two sensational double plays by Hamilton, but the fielding of the team as a whole was ragged throughout.

Union was first at bat and the scoring began at once. The first four men hit safely and aided by a couple of errors and a base on balls, Union ran in eight runs.

Hamilton went out in quick order for two innings and then took a brace and scored twice on a base on balls and two hits. Union got two in the third and there was no more scoring on either side till the sixth, when Hamilton got in a run on an error, a hit by Clark and a fielder's choice. The game was full of good plays and of bad ones too. There were enough men on bases all the time to keep the crowd encouraged to stay on in the rain, which fell during the last four innings. For Union Rider played the best game, while for Hamilton Bramley was easily the star.

The score follows:

The Spring Field Meet.

The Annual Spring Field Meet was run off very successfully Thursday afternoon. The day was clear and warm, the field and track in fine shape, so that all the events could be rushed very expeditiously. The meet turned out to be a close race between the Juniors and the Freshmen, 1906 winning by but two points. The showing made by the Freshmen brightens up the track prospects considerably.

Sicard, '06, broke the college record of 18 seconds for the 120-yard hurdle made by himself, running it in 16 3-5 seconds. H. Holley, '08, ran a very close second. Sicard also ran the hundred in 10 1-5 seconds and the 220 in twenty-three seconds, equalling the College records. He made the highest individual score, gaining 16 points for 1906. Grossmeyer, '07, won the half handily in 2 minutes 12 1-5 seconds, McCarthy, '08, finishing a plucky second. Smith, '08, did good work in the two-mile run. He took the lead over Montgomery, '07, in the seventh lap, sprinted the last 60 yards at a good clip and walked unassisted from the track. He is a runner of promises if he knows enough to work. H. Holley, '08, won the 220-yard hurdles from Roosa, '06, and Sicard, '06, in 27 seconds, beating Roosa by but a few inches. In the broad jump, the dark horse, Ferris, '06, won easily at 21 feet. The high jump was rather a disappointment. Carroll, '06, did not jump in his usual form, and Bagg, '07, won at 5 feet 2 inches.

In the pole vault Scoon, '07, made his initial appearance. He and H. Holley, '08, both cleared 9 feet 6 inches but could not make 10 feet.

In the 440-yard dash Roosa, '06, and Bramley, '06, made a great race, breasting the tape in a dead heat; time 54 4-5 seconds. Sherman, '08, showed good form in the weights and won both events handily. Speh scored the Seniors' six

Hamilton Loses to Rochester.

The weather was good to us for once Monday, and gave a beautiful day for the Rochester game. The crowd was rather slim and even the college didn't turn out in any great numbers. The game was about half an hour late in starting, with no apparent reason for the delay. The play was snappy and interesting for one or two innings, but after that degenerated into a grab-bag for errors with the booby prizes all our way.

McDowell was out at first. Taggart walked. Sullivan singled to first. Bedell struck out. Reid hit a short grounder which ought to have put him out, but in the mix-up two runs were scored. Munger hit a high one to Stiles. Bramley was out at first. LeMunyan sent a three-bagger over right field. Ferris brought in LeMunyan, and then stole second. Haggerson brought in Ferris and Stiles. Clark walked. T. Sherman's single filled the bases. White rolled one down first base line, scoring Haggerson. Clark, R. Sherman and Bramley struck out.

Chapin got to first on an error. Fisher was out at first. LeMunyan got a swift grounder and McDowell was out at first. Chapin scored. Taggart was out at first. Three long but misplaced hits retired LeMunyan, Ferris and Stiles.

Taggart flied out. Taggart and Sullivan sent a couple to Ferris. Haggerson was out at first. Clark and T. Sherman met the same fate. Reid, Munger and Chapin went down in one, two, three order. Neither White, Sherman nor Bramley reached first.

Fisher reached first on an error hit. White, with LeMunyan's assistance, caught him at second. Hart failed to reach first. McDowell walked. Taggart tried to send one through LeMunyan but failed to reach the initial bag. LeMunyan was out at first. Ferris walked. Stiles hit a grounder and Ferris reached third. Haggerson hit one over right field which brought in Stiles

and Ferris, but Haggerson was out trying to steal third. Clark was out at first.

About this time the slaughter commenced. A couple of hits put men on second and third. Reid scored Sullivan. Munger walked. This filled the bases. Chapin hit and in the mix-up Rochester scored two runs. Fisher went out on a foul. Hart went out but scored Munger. Two more runs were scored this inning. Sherman and White struck out. Haven failed to reach first.

Chapin was out at first. Fisher was out at the same place. Hart walked. McDowell was out. Bramley landed a two-bagger. LeMunyan walked. Ferris fled out to center field. Stiles scored two men with his hit. Haggerson's single landed him on first. Stiles scored on Clark's sacrifice. T. Sherman hit the ball but Haggerson was caught stealing home.

Taggart singled to first. Sullivan got to first on an error. These scored. Bedell was out at third. Reid scored. Chapin out at first. Fisher at the same place. White was out at first. Haven hit safely but was forced out by Bramley. On a mix-up following LeMunyan's hit Bramley scored. Ferris dropped another in the center-fielder's mit.

Hart was out at first. McDowell hit safe. Taggart struck out. Sullivan went out on a high fly. Stiles sent one over second base. Haggerson fled out. Smith hit safe to first but forced Stiles out. Brown sent one to second base, and the game was over.

The result and the game were both sore disappointments. Only at rare intervals did the team pull together and put up even a fairly decent article of baseball. The infield was lamentably weak at first and third and showed marvelous indecision and misjudgment at critical moments. We know the men can play the game—we expect them to do it and hope they will do it soon.

points in these events. The mile run was won by Meeker, '07, who showed great improvement over his last year's work.

All in all, the meet was one of the best the College has ever held. The team gives promise of strength in the sprints and middle distances, the hurdles, and in all the field events. The broad jumping and hurdling squads are better than we have had in a long time. There is no reason why we shouldn't make a good showing at Syracuse and Rochester if the men settle down to hard work and strict training.

INTERSCHOLASTIC DAY is with us again. To every sub-freshman who sees these columns, LIFE offers greeting in the name of the College. The observant visitor can carry away a pretty good idea of what this College is and what it stands for, even from a single day's stay on the Hill. And that is just what we want these prospective Hamilton men to do, and to that end we are all willing to back our college life and our college men against any or against all.

We believe that Hamilton's Inter-Academic Day is the best and most popular in the state. Certainly no pains have been spared to make it so, and our past experience, both from report and results, seems to justify our boast. This Interscholastic Day ought to be the best yet, and with the favor of the gods of weather it will be.

Every possible preparation has been made, and the ultimate success or failure of the venture rests now with the College itself. The committees have worked hard, and if any one thinks that the committee men don't have anything much to do, his place isn't on any of the committees.

This year the management has not alone gained ready responses to its invitations, but has had not a few requests for permission to enter the meet from schools that were considered, either from their remoteness or other reasons, to be out of the question. Our reputation is evidently spreading. Today is the time to drive the entering wedge home. Today means much for Hamilton and for these prep. school boys. Everybody on the job!

OF ALL THE CLASSES that the present college generation has known or knows of, the Freshman class holds the palm for sloth in imbibing the real spirit of the Hill. It is such a bore for them to speak to upperclassmen. Their recognition is a favor grudgingly granted. Their salutation is so *fappee* and condescending. This doesn't apply to every Freshman, but it does to the class as a whole.

Now the upperclassman, while he does not feel necessarily honored in having his salute returned by a Freshman, will go out of his way to say "Hello." It may at times seem tiresome to walk from the Hall of Philosophy to Language Hall, and be obliged to say "Hello" to everybody you meet. To no one, then, ought this to be such a bore as to the Senior. But it is done; it is one of our best customs, and the great familiarizer of our College family. It won't hurt the Freshmen—and by the way, it will help things along if we adopt the plan especially for Interscholastic Day.

FOR COLLEGE SONGS we are largely, in fact, almost exclusively, indebted to the President. And these songs are good—yes, they are better than that, they are of the best. But we cannot help finding fault at times with their rendition—or rather, for the sake of accuracy, let us say, attempted rendition. Take as a shining example the singing of the new song written to the air of the "Pilgrim's Chorus." Now, we like the lyric very much indeed. This is not a musical journal and we may be all wrong, but to our perchance benighted wits, there is no virtue in pitching our songs on a key which drives the air down to the bass, sends the tenors scraping miserably about the ceiling, and compels even the choir leader to seek comfort in silence. Why should we stick persistently to this coeducational pitch? It might be all right if we could procure gutta-percha voca! chords, but till then we will enjoy cracked throats and music hall voices. The present and particular tendency of this mosquito pitching seems to be an emasculation of the college song.

DURING THE UNION TRIP an accident befell our men very similar to that which occurred to the Utica Free Academy players in our gymnasium a few weeks ago. Some light-fingered son of rest removed several dollars from the clothes which the players left in the

"gym," and then departed to return no more. The Union management, though in no way responsible for the safety of money left in the building, hearing of the loss, promptly and most considerately reimbursed the men. This action on the part of Union is greatly to be commended. We understand that our own management is contemplating a similar action in regard to the money lost by the Utica players earlier in the season, and we wish to heartily endorse any such movement, believing that the laws of hospitality and sportsmanship make us responsible for the protection of our guests. We feel that it is only fair for the College to make good all such accidents to visiting teams.

WHO IS RESPONSIBLE for the recent moving and overturning of some of the campus monuments no one seems to know. If college men did it, they should be thoroughly ashamed of themselves. We don't believe, however, that any man in college would do such a small piece of business. The College appreciates too heartily the beauties and historic interest of the campus to mar it in such a way. It must have been the village boys who hang around the Hill. Every man in College should have his eyes open to prevent such depredations upon what is the legacy of the past to us.

THE SHORT CUT ACROSS the lower part of the Campus is badly worn again this year by the fellows making a practice of using the grass path. It is a great temptation and a saving of time and effort that is certainly justified when we are in a hurry, but to use that one strip of turf, constantly, as a pavement leaves a very disfiguring scar on the green. We can see the results now of our early spring tramping from the Chapel to West. It is now so badly worn that little more harm can be done. The turf has suffered needlessly there, for a walk is certainly needed and talk as you will, make resolutions as you will, a path will be worn if shale isn't laid before another year. We need a walk and less walking over the short cuts.

Elihu Root has been engaged as counsel for the tobacco trust in the investigation which is now going on in New York before the federal grand jury. Notice of Mr. Root's engagement as counsel was sent to Henry W. Taft, special assistant attorney-general, who is conducting the case for the government.

Prognostications by "Prex."

The following tabulation of entering classes from '03 on appeared in the last *Record*.

Class	'03	'04	'05	'06	'07	'08	'09
Reported July, year previous	8	9	7	10	9	12	18
Reported 1st December, year previous	20	18	15	17	5	34	40
Reported May 1st, year previous	38	40	39	38	34	50	52
Registered Aug. 15	29	35	29	36	27	44	65
Actual entrance	58	61	53	57	51	65	

According to this table the prospects for a large class next year are exceedingly bright. Comparing the number reported May 1st with those reported at that time in previous years, and those actually entered, there will be at least 70 entering in the class of '09. What more do we ask? That quantity will be enough if the quality is standard. We haven't any right to worry about the future.

A bill, introduced into the Indiana Legislature a few days ago, is aimed at the Filipino students at the State University at Bloomington. The bill provides that no white person can marry any one having more than one-eighth Filipino blood. The yellow students reply that they would not marry American girls under any circumstances. Their reasons being patriotism to their native land.

—E. E. Joraleman, of Niagara Falls, was on the Hill Tuesday, visiting Fred Joraleman, '08.

—Prof. Squires has purchased the old Chester homestead, recently occupied by Prof. Morrill.

—Speh says the Senior Class was well represented in the field meet Thursday afternoon—by himself.

—The Freshmen are considering the matter of class pipes and have appointed a committee to investigate.

—Acting on the belief that interest is and ought to be reciprocated, the Balliol *Rush Light* has been added to LIFE's exchanges.

—Mr. J. M. Holley, '66, has been visiting his sons and the College. The track management asks for his frequent presence with us.

—Notwithstanding the fact that we have four games with Colgate, the management has not seen fit to cancel or change the date of the game today.

—The gas supply in Carnegie gave out the first of the week. This accounts for some of the flunking which has been so evident during the last few days.

—When "Bib" asked Gentes how he liked Carlyle as an author, the latter replied that the only book by the author in question he had ever read was Henry Esmond.

—From their eyrie in West, Sicard and Drummond coach DeWitt in economics till "Davy" gets sore and has Fake shut the window. There's nothing like a supe with the Faculty.

—The failure of the D. T. neophytes to appear at the ball game Monday afternoon in their characteristic "stunts" was a disappointment to many. However, the worst is yet in store.

—There is talk of a training table for the baseball and track teams during the rest of the season. It looks as though this would be feasible and of help, especially to the track men.

—Coach Watson, Williams '04, will be on for spring football practice the first week in June. This will give the fellows a chance to get acquainted with him and to learn his expectations and requirements.

—"Prex" paid Love, '07, a flattering compliment by comparing his debate to a long train of freight cars which jerk and rattle every time the engine changes speed, and the "emptier the car the louder the rattle."

—Recently two Hamilton students, riding from Clinton to Utica on the O. & W. road, were talking about their college work, as is characteristic of Hamilton men. Behind them sat two young ladies, apparently absorbed in their own conversation. One of the men turned to the other and said, "Are you taking 'Pills' now?" The other replied, "No, I have 'Bugs'." Horrified, the young ladies immediately changed their seats.

At eight o'clock the Hall of Commons will be thrown open to the visitors and everybody will assemble to witness the awarding of the medals, to join in the

cheering and singing, and, last but not least, to partake of the refreshments. A grand good time is promised.

Mann, '06, is chairman of the entertainment committee, and Roosa, '06, of the athletic committee. They are the men to be consulted on all matters within their respective jurisdictions, and at the same time they need the active support of each and every man.
